**Practice Record Directions:** You are required to practice your instrument for a minimum of three hours per week for full credit. Each practice record is worth 30 points (5 points for each half hour you practice). Fill in the amount of minutes you practiced under the appropriate date. A parent must sign (NOT initial) for you to receive full credit. This practice record is due every Monday by the end of class. Mr. Bartell will grade and return your practice record in a timely manner so you can begin filling it out again for the next week. No late Practice Records will be accepted. At the end of each week and month, make sure to total up your minutes. Practicing regularly is the single most important factor contributing to your success in band, so make it a regular part of your schedule!
